ON THE CO-OPERATION OF THE BALTIC STATES IN THE FIGHT AGAINST THE USE OF DOPING IN SPORTS

The Baltic Assembly

resolutely condemning the use of doping in sports,

wishing to combat its widespread abuse,

recommends that

the Baltic States accede to the Council of Europe Anti-Doping Convention, ratifying it in the parliament of each country,

they form the relevant institutions for fighting against doping, and

reach an agreement on co-ordinating the anti-doping movement of the Baltic States with the Nordic Council.
