

THE BALTIC ASSEMBLY

RESOLUTION

On the Coordination of the Activities of Baltic Parliamentary Delegations

Taking into consideration that the Republic of Estonia, the Republic of Latvia and the Republic of Lithuania participate in numerous international organizations, pursuing essentially the same goals;

the Baltic Assembly believes that the parliamentary delegations to international organizations from the Republic of Estonia, the Republic of Latvia and the Republic of Lithuania could work more effectively if the activities of these delegations were better coordinated. This would promote cooperation among the parliaments of the three countries in matters of foreign policy.

The Baltic Assembly recommends that the leaders of the parliamentary delegations from the Republic of Estonia, the Republic of Latvia and the Republic of Lithuania should consult with each other before the meetings of international organizations.
