Commitees of the Baltic Assembly to discuss how to support Ukrainian children and youth

On 25 March 2022, the joint meeting of the Education, Science and Culture Committee and Economics, Energy and Innovation Committee of the Baltic Assembly will take place in Riga, Latvia.

During the meeting, parliamentarians, government representatives and experts will discuss how to support Ukrainian children and youth arriving in the Baltic States. During the meeting, also such topics as the STEM field of the Baltic States and the Global Convention on the Recognition of Qualifications concerning Higher Education in the Baltic States will be discussed. After the governmental reports on the implementation of the recommendations of the Baltic Assembly in 2021 and plans for 2022, a follow-up on the implementation of the Rail Baltica project will be assessed.
