

**BALTIC ASSEMBLY**  
**R E S O L U T I O N**

**ON AGRICULTURAL POLICY**

The Baltic Assembly,

**noting** that in the process of the negotiations on the integration into the European Union, the EU member states and candidate countries become partners in economic as well as political relations;

**being of the opinion** that it is essential that all the EU member states be accorded an equal treatment;

**recognising** a sufficiently important role of the agricultural sector in the economy of the Baltic States,

**calls on** the Governments of Estonia, Latvia and Lithuania and **proposes:**

in the framework of the negotiations for accession to the European Union, to cooperate in achieving results favorable to the agricultural sector of the Baltic states, taking into account the existing agricultural production potential and orientation to the ecological production spheres, as well as the manifold role of agriculture for the development of society.
