## RESOLUTION

### Concerning the solution of disagreements between the Baltic States

The Baltic Assembly,

**taking** into consideration the striving of the Baltic countries into better relationships between themselves and emphasizing that avoidance of misunderstanding between the Baltic countries is of great importance to the entire Baltic region,

**giving** a high evaluation to the best possible relations and all-round co-operation of the three Baltic States,

**urges** the Baltic Council of Ministers and three Governments to resolve the remaining issues concerning establishment of mutual borders and economic zones in the Baltic Sea, showing as much goodwill and neighbourly consent as possible.
