

**STATEMENT OF THE PRESIDIUM OF THE BALTIC ASSEMBLY  
regarding the Russia-made missile exploding in the territory of the Republic of Poland**

We, the members of the Presidium of the Baltic Assembly, alarmed by another dangerous escalation of the Russian Federation in Ukraine that in the village of Przewodów resulted in the death of two citizens of the Republic of Poland,

*express* our deepest condolences to the victims' families and the whole of Polish society;

*strongly urge* the Member States of the European Union and NATO to support actions in response to the Russia-made missile dropped on the village of Przewodów considered appropriate by the Republic of Poland;

*call for immediate efforts* to show in the strongest possible way the consequences that the Russian Federation will face when creating any direct or indirect military threat to a Member State;

*reaffirm* the full solidarity of the Baltic States with Poland and Ukraine which are directly affected by the outrageous, violent and inhumane war carried out by the Russian Federation.
